NOTICES OF JUDGMENT UNDER THE FOOD AND DRUGS ACT.

[Given pursuant to section 4 of the Food and Drugs Act.]

3851. Adulteration of cream. U. S. v. Simon P. Knill. Plea of guilty. Fine, \$10. (F. & D. No. 262-c.)

On December 5, 1914, the United States attorney for the District of Columbia, acting upon a report by the health officer of said District, authorized by the Secretary of Agriculture, filed in the police court of the District aforesaid an information against Simon P. Knill, Frederick Junction, Md., alleging shipments by said defendant, in violation of the Food and Drugs Act, on September 23 and October 20, 1914, from the State of Maryland into the District of Columbia, of quantities of cream which was adulterated.

Adulteration of the product was alleged in the information, for the reason that a valuable constituent of said article of food, to wit, butter fat, had been left out and abstracted, in whole or in part, and for the further reason that a certain substance, to wit, butter fat, had been left out and abstracted, in whole or in part.

On December 5, 1914, the defendant entered a plea of guilty to the information, and the court imposed a fine of \$10.
